Town Warrant

(L. S.) THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Springfield in the County of Sullivan in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at Town Hall in said Springfield on Tuesday, the fourteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to accept the budget as submitted by the Budget Committee.
4. To see if the Town will vote to authorize the Selectmen to borrow money on the notes of the Town in anticipation of taxes.
5. To see if the Town will vote to allow a one and one-half percent discount on taxes paid within thirty days after tax mailing date.
6. To see if the Town will vote to discontinue approximately two and one-half miles of dirt road past Star Lake Farm; starting at the bridge at Robinson Corners, so called, on the Springfield-Georges Mills Road near Alligator Inn, northerly past the Meyette Place, so called, to the bridge at the end of the Etta Jones Place, so called. Land on both sides of road owned by Ann Easton.
7. To see if the Town will vote to discontinue as an open highway, and make subject to gates and bars, that portion of the old road to Wilmot running parallel to route 4A from a point about 100 feet east of Kirk Heath's Sugar House thence easterly approximately one mile and one tenth (1.1) to the point where it enters the State maintained Walter C. Gardner III picnic area.
8. To see if the Town will vote to leave the matter of Highway Department wages in the hands of the Selectmen.
9. To see what action the Town will take relative to the celebration of its Bicentennial on January 3, 1969, and make motions thereto.
10. To transact any other business that may legally come before this meeting.

THE POLLS WILL BE OPEN FROM TEN A.M. TO SIX P.M.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and sixty-seven.

Report of The Selectmen

TOWN OF SPRINGFIELD, N.H.

In our opinion, Springfield continues to move in the right direction although progress is somewhat limited by the necessity of maintaining a balanced budget and a reasonable tax burden.

The Hough Loader and the GMC truck, mentioned in last year's message, were paid for in full and are still in operation. We did not find it necessary to raise the $5,000 provided for in the budget in case of emergency. During the year we acquired a new snow plow and wing-designed to fit either of our trucks.

Insulated partitions were erected in the firehouse, and a furnace installed at a cost within the Fire Department budget.

The kitchen water facilities at the Town Hall were completed. Besides a pump, tank, water heater and an outside tap (for public use), there is also a constant overflow pipe adjacent to the well. The committee members deserve the thanks of us all for the thoroughness with which they handled their assignment.

Significant repairs and improvements were made to the Library building. Details may be found in the Library Trustees' report.

In spite of limited funds, the Beach Committee did an excellent job of cleaning up, enlarging and generally improving that area. However, it may be advisable this year to post regulations for users of the beach in view of complaints made last summer.

Of general interest is the fact that the last $1,000 will be paid this year on the Highway Garage. We will then have no long term obligations of any kind. We showed a healthy gain in net valuation due, mainly, to new construction and revaluation based on higher current selling prices. This is all that saved us from a tax rate of over $4.00 per hundred. However, we do not foresee as large an increase in net valuation this year, and consequently have recommended the lowest budget possible without curtailing services vital to the welfare of our townspeople. At the present time we do not have the budget request for the new Kearsarge Regional School District. Without it, we cannot even guess what the tax rate may be.

Finally, we wish to remind you that the Selectmen meet at 8:00 p.m., on the first and third Mondays of every month, at either the Town Hall or the School, dependent upon the severity of the weather. A public notice will be displayed at the Post Office should any change develop in our schedule. Certainly all questions on Town policy should be directed to the Board of Selectmen and not to any individual member. Every taxpayer, resident or non-resident is entitled to attend these meetings and to ask any questions pertaining to the Town's affairs.

SPECIAL NOTICE.....In accordance with Article 7 in last year's Warrant, the election of Town Officers will be by non-partisan ballot this year. In other words, a candidate for office must have filed his intention with the Town Clerk to have his name appear on the printed ballot. Write-in space is, of course, provided, as in all non-partisan ballots. The polls will be open from 10:00 a.m. to 6:00 p.m. The Town Meeting will also be called at 10:00 a.m. This simply means that voters may cast their ballots in a manner similar to the state and national biennial elections. Voters may stay for any part or all of the Town Meeting, or they may leave as soon as they have voted. The ballots will, of course, not be counted until after the polls close.

Mr. Loren L. Patten, Treasurer
Town of Springfield
New Hampshire

Dear Mr. Patten:

The New London Hospital and its Board of Directors wish to thank the citizens of the Town of Springfield very much for the generous appropriation made to us at the last Town Meeting.

Having the appropriation at this time of year is most helpful to us and we sincerely appreciate the interest and help of the good people of Springfield.

Gratefully,

Rachel M. Sargent

We are happy to report the completion of several major repairs to the library building during the year. A drainage system was laid under the building; the foundation was plumbed, leveled and pointed-up; and two foundation windows installed. The north and south gable window frames were removed and the openings clapboarded and painted. New louvres were installed just below the apex of both gables. New ceilings were installed in both rooms, approximately 15" below the existing ceilings; and the chimney openings in each room properly repaired, insuring safer operation. The Royal Arch 4-H Club members, in the interest of community service, assisted in the clean-up operation after repairs were made.

After discussing the name of our library with a number of people, the Trustees and Librarian were in agreement on renaming it the "Libbie A. Case Memorial Library." Our library is now so-registered with the State Library.

We were fortunate in being accepted as members of the Statewide Library Development Program, and will receive a grant of $100.00 for a like value of reference books selected from a suggested list. The order was placed December 1st, and we look forward to receiving 17 fine reference books very shortly.

We feel we are off to a good start toward general improvement, and hope people of all age groups will benefit by and support the program available to them.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

Fire records are made by people---those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres - - - a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or cooking fire.

4. Most important - Instruct your children that matches are not play things.

TRULY - ONLY YOU CAN PREVENT FOREST FIRES

FIRE RECORD FOR TOWN 1966
There were no Forest Fires in 1966
There were 20 permits issued

REPORT OF
KEARSARGE REGIONAL SCHOOL BOARD

On May 2, 1966 the citizens of Bradford, Newbury, New London, Springfield, Sutton, Warner, & Wilmot voted final approval of the formation of the Kearsarge Regional School District. The first official meeting of the new school district was held on July 19, 1966. The voters of the district raised and appropriated the sum of $24,900. for the operation of the district until July 1, 1967. Among other things the voters authorized the school board to "make a survey of building needs, to take options if necessary , to engage the services of an architect, an attorney, and to employ such other consultant services as may be deemed necessary, to make topographical surveys and to take such borings as may be required, and to do all other things necessary to enable the board to make a report and recommendations to the district."

The Kearsarge Regional School Board does not assume operating responsibility until July 1, 1967, at which time the presently-existing school districts in the seven towns will cease to function. Since its election in July the Regional School Board has been preparing for this responsibility, and making plans for the new school buildings which will be needed by the district. Elected Chairman was William Neumann of New London, with James Hansen of Bradford as Vice Chairman. Mr. Neumann's resignation was accepted with sincere regret early in February when he accepted a position out-of-state. Dr. Anne Wasson of New London was appointed to succeed him on the Board. James Hansen became Chairman and Donald Mitchell of Sutton was named Vice Chairman. Selected as Clerk was Mrs. Annette Stevens of Wilmot, who was succeeded in January by Mrs. Janice O'Rourke of Warner. Mrs. Evelyn Kiernan of New London is Treasurer of the district.

Several important sub-committees of the board have been named, and have been hard at work. These sub-committees include those on Salary Schedules, Policy, & Architect Selection.

One early and significant decision of the board was to engage the services, at a cost of 1/2 of 1% of the bond issue, of the Educational Consultant firm of Engelhardt, Engelhardt, & Leggett of New York, one of the leading such firms in the country. Serving as this firm's consultant to the board is Dr. Edward Macbeth, who has spent many days in the district studying its problems and its plans for the future.

The Engelhardt firm has been engaged primarily in order to provide expert counsel to the board concerning building problems. Studying the original building proposals of the Kearsarge Regional School Planning Board, the firm has conceded their practicability, but has recommended an alternative approach. The board, after very careful consideration, has unanimously accepted the new proposal. The board will recommend that the district accept this plan, which calls for the construction of an entirely new high school building (9-12) on a new site as yet unselected, and the use of the present New London Central School for New London's first five grades and as a Middle School (6-8) for the entire district.

The board believes this plan allows more flexibility for the future, and that it is a more sound approach educationally. Elementary building proposals are still under study.

On the date of operating responsibility the district will come under the jurisdiction of Supervisory Union #43, with offices in Newport. The Superintendent of Schools is Gordon B. Flint, who is aided by Assistant Superintendent James Leh (who began work in December), and Teacher Consultant Alphonse Soucy. It should be emphasized that Mr. Flint has been working closely with the board since July, and that until next July Mr. Leh is working exclusively for the Regional School District.

In March or early April the Kearsarge Regional School Board will be holding one or more meetings of the district. At these meetings approval will be sought for (1) the operating budget for 1967-68, (2) changes in the Articles of Agreement to reflect the recommended new building plans, & (3) a bond issue for new construction. Every opportunity will be taken to keep the voters informed of progress in these areas prior to the meetings.

Respectfully submitted,

Kearsarge Regional School Board

Report of the Superintendent of Schools

To the Citizens of Springfield:

ENROLLMENT

The enrollment as of January 1, 1967 was 21, divided as follows:

Primary Room - Grades 1-3 . . . 8
Upper Room - Grades 4-6 . . . 13

This represents a loss of 12 pupils in the last year since there was a total of 33 pupils in the school as of January 1, 1966. Prospects for September 1967 indicate even a smaller number as no students are expected to enter Grade 1 next fall. If this is the case, the enrollment next fall would be 17 students divided as follows:

Primary Room - Grades 1-3 . . . 5
Upper Room - Grades 4-6 . . . 12

Do you wish to see the school operated next fall with two teachers and a total of 17 students - with one teacher having only five students?

Serious consideration should be given to this matter for any action on the Springfield School by the Kearsarge Regional School Board would have to be approved by the voters of Springfield.

SPRINGFIELD-KEARSARGE SCHOOL DISTRICT

As of June 30, 1967, the Springfield School District will be dissolved and become a part of the Kearsarge Regional District.

Necessary action at the meeting on March 14, 1967 will cover the continued operation of the Springfield School District from that date through June 30, 1967.

The nine-member Board of the Kearsarge District has been meeting regularly since last August. Their report is included here.

CONCLUSION

I have enjoyed my twenty years of association with the Springfield Schools. I can vividly recall the operation of the Center and Maxfield Schools and the many activities involved in constructing Memorial School.

Let us all continue the interest, support, and cooperation in the Kearsarge District and thereby make certain that Springfield students are guaranteed an education to meet the ever-changing conditions.

Respectfully submitted,

GORDON B. FLINT
Superintendent of Schools
